

## **Examination into the Nottingham City Council Land and Planning Policies Development Plan Document (Local Plan Part 2)**

### **Inspector's note accompanying the Agendas for Hearing sessions**

The Matters, Issues and Questions (MIQs) for Examination (LAPP.INSP.07) were issued on 26 September 2018. Attached are short agendas for each day of the Hearing sessions during the first week of the Hearings part of the Examination into the Nottingham City Council Land and Planning Policies Development Plan Document (Local Plan Part 2).

As indicated in my Guidance Note (LAPP.INSP.09), also issued on 26 September 2018, I will have read all the Statements submitted in response to my MIQs before the start of the relevant Hearing sessions. I will assume that all other participants will also have read the relevant submissions. There will be opportunities for respondents to ask questions of the Council and other respondents, and vice versa.
