I am writing to you, as you have previously expressed an interest in the Local Plan review, to inform you that Nottingham City Council's Local Plan, including all required supporting evidence, was submitted to the Secretary of State on 23rd April 2018 in accordance with Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

The next stage will be for an Independent Examination of the Local Plan document and Inspector Beverley Doward BSc BTP MRTPI has been appointed to that role. The Examination is anticipated to be held in September 2018 and will be administered by the Programme Officer who is independent from the Council and works directly for the Inspector. Any queries regarding the examination process should be directed to her using the following contact details:

Name: Ms Jayne Knight
Address: C/O Planning Policy & Research Team, Loxley House, Station Street, Nottingham, NG2 3NG

Please note that you will only receive correspondence directly in connection with the Examination if you responded to the Local Plan publication and revised publication stages consultations.

Included with this letter is a formal notice regarding the submission and information about the availability of the submission documents including where they can be inspected. You will see that the documents are available for inspection at a number of venues across the city and they are also published on the council's website.

The Planning Inspectorate has produced a document to explain the process for examining Local Plans, which is available via the following link: <https://www.gov.uk/government/publications/examining-local-plans-procedural-practice>
