

FREE Childcare
for 2 Year Olds

Early Learning Programme Information for parents and carers

What is the Early Learning Programme for 2 Year Olds?

Eligible 2 year olds can get quality early learning places at Ofsted registered nurseries, playgroups and childminders within Nottingham City **FREE OF CHARGE**.

What will a place offer?

Children can learn so much at this age by being with other children. At home you are already helping your child to talk, think and play. However, children like being with other children, especially those of the same age and they learn with each other. They will make new friends, experience new activities and have lots of fun!

Can my 2 year old have a free place?

Your child may be entitled to 15 hours per week of **FREE** childcare starting the term after their 2nd birthday. To qualify for a free place your family must receive certain benefits.

How can I find out if I am eligible?

If you think you may qualify and would like to check your eligibility, please contact the Families Information Service using their **FREE** phone number:

0800 458 4114

or visit the website www.nottinghamcity.gov.uk/FIS
