Dear Sirs

I am Consultee [REDACTED]

This is my response and representations regarding the latest updated plan
- <http://www.nottinghamcity.gov.uk/mainmodifications>

I am very concerned that that there seems to be no clear consideration being given to [REDACTED] accessway to [REDACTED] parking spots behind [REDACTED] properties. It appears [REDACTED] accessway is still being included as part of PA66 and no consideration made for [REDACTED] ownership or vehicle access requirements.

Please can this be addressed as [REDACTED] 24 hour access from Castle Road to [REDACTED] car parking spaces.

Thanks
David Smith [REDACTED].
