Important Updates from the Early Years Funding Team

For any queries relating to funding, please email eyfunding@nottinghamcity.gov.uk and our Funding Team will aim to respond within 7 working days. Please note that a lot of answers to queries submitted (such as payment dates, portal opening dates and how payments are calculated) can be found in the **latest Provider Agreement and Further Information and Example Documentation Pack**. These refreshed documents for 2025/26 are now on the Funding Page of the Early Years Website.

There have been several queries raised with the Department around **charging** for consumables, and regarding providers setting a certain number of “fully free” places, with the rest being “funded” places, in respect of which providers impose additional mandatory charges. The legislation requires the local authority to secure that places are available **free of charge to each eligible child in their area, the Department do not consider that offering free places only to some eligible children meets this duty. Providers can choose to cap the number of early years entitlements places they offer within their setting overall, but all of the places that early years entitlements funding is received for must be accessed free of charge to parents. There must not be any mandatory charges for parents in relation to the free hours.** Further information, including frequently asked questions documents can also be found on the Funding Page of the Early Years Website.

The Funding Team have received a high volume of **Adjustment Forms**. The deadline for Adjustment Forms was 31st March 2025 and these are being processed, and payment will be with you in due course.

All this information and more can be found on the [Funding Page of the Early Years Website](#).

Spring Term 2025 Childcare Sufficiency Provider Survey

As the Government expansion of early years entitlements and wraparound provision progresses, it is important the local authority has access to reliable supply data to ensure the city maintains a sufficient, sustainable and accessible early years and childcare market. Your contribution, through completing the Childcare Sufficiency Provider Survey will ensure our data is current and accurate to inform place expansion.

The local authority launched the Spring Term 2025 Provider Survey on 5th March 2025 with a closing date of Friday 21st March 2025.

Thank you to those who have completed and submitted their survey. There remain a number of outstanding surveys and it is essential we have a 100% return to ensure our data is accurate.

If you have not completed a Provider Survey for your setting, the survey can be accessed by clicking [this link](#) or by scanning the QR code. Any questions, please email childcaresufficiency@nottinghamcity.gov.uk

Childcare Sufficiency - Early Years
Provider Survey March 2025

Please complete and submit your survey and place and vacancy data by Friday 4th April 2025

Food Vouchers

These were sent out on Monday to those eligible settings. Please ensure you **complete the compliance statement** which accompanies the email and **return this as soon as possible**. This is a new step which you may not be familiar with but will periodically be included with the emails. We will resend the end of term reports detailing the accurate EYPP children as soon as possible, we are awaiting information from Capita to enable us to run this report, the current report can be used as a guide. Please contact eyfunding@nottinghamcity.gov.uk if you need to know your EYPP children if your current report does not match with the numbers of vouchers issued.
