

Statutory Safeguarding Training

These options highlight the training provision Nottingham City Council Early Years Team offer, to support all registered childcare providers within the city to be compliant with their statutory requirements of the Early Years Foundation Stage (EYFS) .

Are you a DSL or involved in the setting safeguarding (including CM, OOSC),

You should attend: either

Designated Safeguarding Lead, Role of DSL for Childminder and Refresh every two years.

This training provides a brief overview of recognising signs and indicators of safeguarding issues, early intervention, making referrals, keeping accurate records, understanding EYFS safeguarding legislation, and responding appropriately to allegations.

You are a new early year practitioner (Group base, CM, CM assistant , CM Pathway OOSC)

You should attend:

Introduction Safeguarding Children

This workshop is for new practitioners or new childminders. After completing this training, attending the **Safeguarding Children: Refresher** training (see box below) every two years is required to update knowledge.

You are involved in the recruitment of staff?

You should attend:

Safer Recruitment Workshop -

It is recommended as good practice for practitioners who are involved in the recruitment of paid or unpaid members of staff. It will support practitioners to actively try to protect children's welfare when recruiting new people to the workforce.

Early Years Practitioner (Group, CM, CM assistant , OOSC)

You working in early years

Then every two years you should attend:

Safeguarding Children: Refresher

This course updates those who have previously completed role specific training on current safeguarding issues, including national changes, local procedures, and best practice guidance.
