

## Two Apps colleagues might want to download

### **NHS England Safeguarding app**

Although geared towards NHS staff, this safeguarding app is still a useful resource for frontline staff.

It provides an overview of relevant legislation and detailed guidance covering both children and adults safeguarding as well as regional contact information for reporting a safeguarding concern.

It can be accessed via [Apple iOS](#) or [Google Play](#) and searching for 'NHS Safeguarding'.

### **Mental Capacity Act app**

This app was commissioned by Derbyshire Clinical Commissioning Groups to use as a learning resource for all staff. It is designed to develop and support your understanding of assessing mental capacity, making best interests decisions and the Deprivation of Liberty safeguards.

Again, it can be accessed via [Apple iOS](#) or [Google Play](#) and searching for 'Mental Capacity Act'.
