

## Indoor plant displays

Plants improve the office environment – they are said to reduce stress and even improve productivity by improving the air quality in the workplace. We supply year-round planted displays and advise on their care.

For further information, please call Nottingham City Council Horticultural Services Manager John Pell on 0115 9152725 or email [john.pell@nottinghamcity.gov.uk](mailto:john.pell@nottinghamcity.gov.uk)
